PROFESSIONAL PROFILE

I am a hardworking, ambitious and dedicated Information Technology student at Limkokwing University of Creative Technology, currently pursuing an Associate Degree in Information Technology. I am passionate about technology, computer systems and solving technical problems. I have developed knowledge and practical skills in computer hardware, networking, cybersecurity, web development, programming and systems administration. I am eager to secure an internship opportunity where I can gain practical IT experience, improve my technical abilities, learn new technologies and contribute positively to an organisation. My goal is to become a competent and professional IT Technician.
